

EduBot - AI Fundamentals Assistant

2. User Guide (1 page)

EduBot User Guide

Welcome to EduBot!

Your friendly assistant to learn about AI fundamentals.

[CHAT] How to Interact:

Ask a Question

Example: "What is AI?" or "Explain neural networks."

Explore a Topic

Say: "Learn about NLP" or "Explore AI ethics"

Take the Quiz

Try: "Test my knowledge" or "Give me a quiz"

Ask Follow-Up Questions

EduBot can handle follow-ups like:

"What are some applications?"

"What challenges are there?"

Get Learning Resources

Say: "Where can I learn more?"

EduBot - AI Fundamentals Assistant

EduBot will suggest bootcamp modules

[SYNC] Tips

- Keep your questions short and clear.
- If the bot doesn't understand, try rephrasing.
- Click the embedded visuals for diagrams.
- Ask EduBot to quiz you for a fun challenge!
